

# Playing Conditions – 20 overs per side

The Laws of Cricket (2017 Code 2nd Edition - 2019) shall apply with the following exceptions:-

## 1 Duration

1 innings per side, each limited to a maximum of 20 overs.

## 2 Hours of Play

2.1 Start times are to be agreed by teams or directed by the competition organiser.

2.2 All sides are expected to be in position to bowl the first ball of the last of their 20 overs within 1 hours 15 minutes playing time.

2.3 Interval should be no longer than 15 minutes.

2.4 In the event of an interruption or delay during the 1st innings, the calculation of the number of overs to be bowled shall be based upon one over for every 3 minutes 45 seconds in the total time available for play up to the scheduled close of play. In the 2nd innings of the match, overs shall be reduced at a rate of one over for every full 3 minutes 45 seconds lost, unless the 1st innings has finished early or the 2nd innings started early, in which case no overs are lost until the time that has been gained is subsequently lost.

## 3 Rearrangement of overs due to inclement weather

The objective of rearranging overs is to give the greatest opportunity for a match of equal overs without reverting to a super over.

## **4 Over rate penalties**

- 4.1 A 6 run penalty shall apply for each over not bowled in the required time, as determined by the umpires (2.2 for uninterrupted matches).
- 4.2 In reduced over matches the fielding side has a one over leeway in addition to any time that the umpires may allow for stoppages.
- 4.3 20 overs shall be bowled and the penalty runs are added to the final total.
- 4.4 Umpires are instructed to apply a strict interpretation of time wasting by the batsman (5 run penalties) specifically; batters are expected to be ready for the start of a new over as soon as the bowler is ready.

## **5 Fielding restrictions**

- 5.1 For the first 6 overs of each innings only two fielders are permitted to be outside the fielding circle at the instant of delivery. Fielding circle to be 30 yards for Boys U14 and above plus Open Age matches. Fielding circle to be 25 yards for Boys U13 and below plus all Women's & Girls matches.
- 5.2 For the remaining overs of each innings only five\* fielders are permitted to be outside the fielding circle at the instant of delivery.
  - \* For Women's matches, only four fielders are permitted to be outside the fielding circle at the instant of delivery, as determined by the competition organiser.
- 5.3 In circumstances when the number of overs of the batting team is reduced, the number of Fielding Restriction Overs shall be reduced in accordance with the table below. For the sake of clarity, it should be noted that the table shall apply to both the 1st and 2nd innings of the match.

<b>Total overs</b>	<b>No. of overs for which fielding in innings restrictions in clauses above shall apply</b>
5-6	1
7-9	2
10-13	3
14-16	4
17-19	5

## **6 Overs per bowler**

- 6.1** No bowler may bowl more than one-fifth of the amount of overs scheduled for the innings. However, in a delayed start, or interrupted match, where the overs are reduced for both sides, or for the side bowling second, no bowler may bowl more than one-fifth of the total overs allowed (unless such a number has been exceeded before the interruption), except that where the total overs are not divisible by five, an additional over shall be allowed to the minimum number of bowlers necessary to make up the balance - e.g. after 8 overs, rain interrupts play and the innings is reduced to 12 overs. Both opening bowlers have bowled 4 overs. Two bowlers can bowl 3 overs and three bowlers can bowl 2 overs. Bowlers 1 and 2 have already exceeded this limit. They count as the two bowlers who were allowed the extra over (4 as opposed to 3) and so any other bowlers are limited to 2 overs.
- 6.2** In a delayed or interrupted match where the overs are reduced for both teams or for the team bowling second;
- 6.2.1** for innings of rescheduled length of at least 10 overs, no bowler may bowl more than one-fifth of the total overs allowed. Where the total overs is not divisible by 5, one additional over shall be allowed to the maximum number per bowler necessary to make up the balance.
- 6.2.2** for innings of rescheduled length of between 5 and 9 overs, no bowler may bowl more than two overs. In these circumstances, the one-fifth limit does not apply.

- 6.3 When an interruption occurs mid-over and on resumption the bowler has exceeded the new maximum allocation, they will be allowed to finish the incomplete over.
- 6.4 In the event of a bowler breaking down and being unable to complete an over, another bowler will bowl the remaining balls. Such part of an over will count as a full over only in so far as each bowler's limit is concerned.
- 6.5 The allocation of overs per bowler will not be reduced as a result of the deduction of any penalty overs.

## **7 The Result**

- 7.1 When there is no interruption after play has commenced and when both sides have had the opportunity of batting for the same agreed number of overs, the team scoring the higher number of runs shall be the winner. In the event of the scores being tied, the following shall apply:
  - 7.1.1 If tied at the completion of a match, the team that has lost fewer wickets shall be adjudged the winner.
  - 7.1.2 If this gives no result, then the team with the higher score at the end of 6th completed over shall be adjudged the winner.
  - 7.1.3 If still equal, the side with the higher score at the end of 5th, 4th, 3rd, 2nd and 1st completed over shall be adjudged the winner.
  - 7.1.4 If still equal, a one over per side eliminator (see 8) should be used to determine the winner.
- 7.2 For all matches if, due to the suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than that originally allocated (minimum 5 overs), then a revised target score should be set for the number of overs which the team batting second will have the opportunity of facing, this revised method being calculated by the Duckworth/Lewis method (version of DL shall be prescribed by the competition organiser. If no

agreement, Play-Cricket Scorer/PCS Pro should be used). A par score will be set for the second innings. If this is exceeded a win for the team batting second shall result. If the par score is equalled then the scores are tied.

- 7.3 For all matches, if a match is abandoned before it had been played to a conclusion and before the team batting second has received its allocated number of overs (providing that it has received not less than 5 overs), the result shall be decided by the Duckworth/Lewis method.
- 7.4 In the event of the scores being tied in a match when the Duckworth/Lewis method has been used, no account shall be taken of wickets lost and a One Over Per Side Eliminator shall be used to find a winner.

## **8 One Over Per Side Eliminator**

- 8.1 The teams shall compete in a one over per side eliminator to determine the winner. The following procedure will apply should the provision for a one over per side eliminator be adopted in any match.
- 8.2 Subject to weather conditions the one over per side eliminator will take place at a time to be determined by the umpires. In normal circumstances it shall commence 10 minutes after the conclusion of the match.
- 8.3 The one over per side eliminator will take place on the pitch allocated for the match (the designated pitch) unless otherwise determined by the umpires in consultation with the ground authority.
- 8.4 The umpires shall stand at the same end as that in which they finished the match.
- 8.5 In both innings of the one over per side eliminator, the fielding side shall choose from which end to bowl.
- 8.6 Only nominated players in the main match may participate in the one over per side eliminator. Should any player (including the batters and bowler) be unable to continue to participate in the one over per side

eliminator due to injury, illness or other wholly acceptable reason, the relevant Laws and Playing Conditions as they apply in the main match shall also apply in the one over per side eliminator.

- 8.7 Any penance time being served in the main match shall be carried forward to the one over per side eliminator.
- 8.8 Each team's over is played with the same fielding restrictions as apply for a non-Field Restriction Over in a normal match.
- 8.9 The team batting second in the match will bat first in the one over eliminator.
- 8.10 The Umpires shall select a ball from the box of spare balls which shall be used for both overs of the one over per side eliminator. The ball to be used shall not be a new ball.
- 8.11 The loss of two wickets in the over ends the team's one over innings.
- 8.12 In the event of the teams having the same score after the one over per side eliminator has been completed, the team whose batters hit the most number of boundaries in the One Over Per Side Eliminator shall be the winner.
- 8.13 If still equal, a count-back from the final ball of the one over eliminator shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses two wickets during its over, then any unbowled deliveries will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e including any runs resulting from wides, no ball or penalty runs.

Example:

<b>Runs scored from:</b>	<b>Team 1</b>	<b>Team 2</b>
Ball 6	1	1
Ball 5	4	4
Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However team 1 scored 2 runs from its 4th ball while team 2 scored a single so team 1 is the winner.

- 8.14 If still equal, then another one over per side eliminator shall be played.

## 9 Wide Ball - Judging a Wide

Umpires are instructed to apply a very strict and consistent interpretation in regard to this Law in order to prevent negative bowling wide of the wicket.

Any offside or legside delivery which in the opinion of the umpire does not give the batsman a reasonable opportunity to score shall be called a wide. For guidance purposes, in adult cricket a legside wide should be called if a ball passes on the legside outside the pads of the batsman standing in a normal guard position.

## 10 No Ball

- 10.1 Law 41.6 (Bowling of dangerous and unfair short pitched deliveries) shall apply with the following additions:
- 10.1.1 Regardless of how wide of the striker a delivery is, there shall be no more than one delivery per over that after pitching pass or would have passed clearly over shoulder height of the striker standing upright at the popping crease.

- 10.1.2 The umpire shall make it clear to the bowler (and any bowler called upon to complete an over) and the batsmen at the wicket when a delivery within the limit in 10.1.1 has been bowled. It is unfair if the limit is exceeded and the umpire shall call and signal No ball on each such occasion and consider it as part of the warning sequence in Laws 41.6.3 and 41.6.4.
- 10.1.3 If a short pitched delivery either:
- 10.1.3.1 Passes or would have passed clearly over head height of the striker standing upright at the popping crease, and in the umpire's opinion so prevents him from being able to hit it with his bat by means of a normal cricket stroke or;
  - 10.1.3.2 Passes or would have passed clearly over shoulder height of the striker standing upright at the popping crease, and in the umpire's opinion he is able to hit it with his bat by means of a normal cricket stroke or;
  - 10.1.3.3 Passes clearly over shoulder height of the striker standing upright at the popping crease and wide of the striker so that in the umpire's opinion he is unable to hit it with his bat by means of a normal cricket stroke and, although not necessarily threatening physical injury, is deemed dangerous in accordance with Law 41.6.1, it shall be considered as part of the warning sequence in Laws 41.6.3 and 41.6.4.
- 10.1.4 A delivery as described in 10.1.3.1 shall be called No ball in accordance with Law 21.10.
- 10.1.5 A delivery as described in 10.1.3.3, if not a No ball, shall be called and signalled wide. (Refer Law 22).
- 10.1.6 Law 41.6.5 shall not apply. Any warnings applied in Law 41.6.3 shall be added to any warnings applied in Law 41.7 and action taken according to Law 41.6.4.

- 10.2 Law 41.7 (Bowling of dangerous and unfair non-pitching deliveries) shall apply with the following amendment:
- 10.2.1 Law 41.7.5 shall not apply. Any warnings applied in Law 41.7 shall be added to any warnings applied in Law 41.6.3 and action taken according to Law 41.7.4
- 10.3 Free Hit after a No Ball
- 10.3.1 The delivery following a no ball shall be a free hit for whichever batsman is facing it.
- Note: this applies to all modes of No ball with the exception of a short-pitched delivery that passes or would have passed clearly over head-height of the striker standing upright at the popping crease.
- 10.3.2 If the delivery for the free hit is not a legitimate delivery (any kind of no ball or a wide ball), then the next delivery shall become a free hit for whichever batsman is facing it.
- 10.3.3 For any free hit, the striker can be dismissed only under the circumstances that apply for a no ball, even if the delivery for the free hit is called wide ball.
- 10.3.4 Field changes are not permitted for free hit deliveries unless there is a change of striker or the No Ball was the result of a field restriction breach in which case the field may be changed to the extent of correcting the breach. However, in all circumstances, any fielder within 15 yards of the striker may retreat to a position on the same line no more than 15 yards from the striker.
- 10.3.5 The umpires shall signal a free hit by (after the normal no ball signal) extending one arm straight upwards and moving it in a circular motion.
